A PROGRAM OF
CJP
IN PARTNERSHIP WITH
JCRC
Jewish Community Relations Council

I'm certain you've noticed that antisemitism is in the news frequently these days. We see celebrities promoting antisemitic tropes and the normalization of white supremacy.

Just this past October, a group of young white supremacists in Los Angeles hung a banner over a Los Angeles freeway stating that "Kanye is right about The Jews" and gave the Nazi salute.

For those of us who care about justice and equality, this is alarming. For those of us who wish to honor and remember our Survivors, this is appalling.

That's why CJP remains steadfast in our support of the New England Holocaust Memorial. **Antisemitism is not going away; it is on the rise.** We have a duty to counter this disturbing trend.

NEHM is a pillar of light in our community. Not only does it serve as a permanent memorial to the six million murdered Jews, but it also serves to educate community members about the dangers of letting bigotry run rampant.

In partnership with the Jewish Community Relations Council of Greater Boston, the memorial is a space where student groups and other visitors can reflect, remember, and learn through a tour with a trained guide or by using the newly available mobile tour app.

Your gift of $750 helps preserve the memorial and continue our education and outreach work.

Memorial location: Carmen Park, Congress Street near Faneuil Hall, on Boston's historic Freedom Trail

I know you've been a generous supporter of NEHM in the past and we couldn't be more grateful. We depend on donations to maintain the memorial and grow our education initiatives. Your past support has been instrumental.

Would you consider donating again so that we may continue our crucial work? **A gift of $750 would be so meaningful.**

Paying tribute to the six million killed, honoring our survivors, and inspiring justice is more important today than ever before. Join us.

Sincerely,

P.S. January 27 is International Holocaust Remembrance Day. Make a gift in support of NEHM to honor our Survivors and remember those we lost. Thank you.
